

NEBRASKA PUBLIC SAFETY BROADBAND WORKING GROUP MEETING
LIGHTHOUSE ROOM OF COUNTRY INN & SUITES
5353 N. 27TH LINCOLN, NE
Thursday February 15, 2018 @ 1 P.M.

AGENDA

1. Meeting is called to order – Chair Director Tom Casady
2. Introduction of Working Group Members – Chair Director Tom Casady
3. Introduction of audience members – Chair Tom Casady
4. Acceptance of the Minutes of 8/11/2017 Working Group meeting – Chair Director Tom Casady
5. Comments by AT&T Lead Nebraska Representative John Matovich – Chair Director Tom Casady
6. Comments by FirstNet Regional Lead Lesia Dickson – Chair Director Tom Casady
7. Discussion on FirstNet management moving forward - Wilhelm
 - Should there be any in state oversight of the network and users
 - Who makes that decision
 - What role/responsibility does the Working Group have
 - What role/responsibility does the SPOC and therefore the State have
 - How do we identify/vet/update users of the network to AT&T
 - Each agency notify AT&T (as current policy would indicate)
 - Should this done on a county or regional level
 - AT&T will provide online training tools for device and network usage.
 - Who is responsible for exercising end users
 - Exercising multi-agency end users
 - Who creates the policies and use protocols that AT&T isn't responsible for
 - Does "someone" say that users need to have specific apps to be interoperable in joint/mutual aid operations
 - Should we have a plan
8. SLIGP 1.0/2.0 update – Wilhelm
9. Public Comments – Chair Director Tom Casady
10. Next meeting discussion – Chair Director Tom Casady
11. Meeting adjourned – Tom Casady
